HOD. Department of Dermatology
DVPPF's Medical College and hospital Ahmednagar.

Dear Dr Indurkar,

You have been a practicing dermatologist for last 16 years. Besides serving the patients from the marginalised sections of the society, you have been nurturing your students to be excellent doctors. For your service in the medical field, you have been awarded the 'Jeevan Rakshak' award by the Susangat Foundation, Pune. You have published 8 research papers, 2 book compilations and 2 copyrighted articles on subjects pertaining to dermatology and venereal diseases. Dear doctor, you have also been a resource faculty in many PG level research workshops and CPD's, guiding aspiring students in their medical journey. We are thankful to you for joining Caring Friends Hospital to serve in our newly formed 'Dermatology Department'. With your support and guidance we are sure that this new venture will be able to give excellent services to the patients. Thanking you,

Gratefully Yours
