Medical College and Hospital

(Accreditations: NAAC A+, NABL, NABH, ISO, 2(f) UGC Act)

“BEST MEDICAL COLLEGE AWARD” by MUHS, Nasik”

Dr. Vithalrao Vikhe Patil Foundation's
MEDICAL
COLLEGE & HOSPITAL
AHILYANAGAR

An International Student Cell was created in the year 2017-18 which works under International Student Cell committee. To lead the development of internationalization at the college by acting as the central coordinator and facilitator of all internationally related initiatives and activities is the role of the International Student Cell.

The student Cell maintains contact with international tourism agencies and agents. They are directing students, Concerns passports, visas and currency exchange. Student Cell periodically refers to the revised UGC policies for international student admission and provides contact information of the committee members to enable round-the-clock help in an emergency.

It is coordinating with the alumni association. Some alumni communicate with the cell by connecting via video conferencing. The cell assists students in gaining knowledge and new information about research initiatives, new super speciality courses.

It ensures that international students are supported and included in institution events. It provides resources for preparing for several international exams such as the TOEFL, PLAB and USMLE.

Goal: To direct simple communication and career development on a global scale.
