Association organizes social, educational networking events locally at the institution level. The membership is awarded to any Graduate & Postgraduate or Post-Doctoral Degree/Diploma student who has passed from the institutions shall be eligible to become alumni with Voting Rights.

It conducts yearly batch wise & common meeting for UG and PG students. VIMS alumni arrange quarterly lectures of alumni regarding carrier counselling, and placements at various national and international organizations. We formed International Placement Cell under the umbrella of Alumni association. For the opportunity in army, navy and air force, we have organised carrier guidance seminars of alumni for students.

Association in all aspects is the light house to present and past students. Our teachers and staff along with management is very active in association.

Alumni Association has been formed & registered to Charity commissioner office, Ahmednagar, with the aim to cooperate and understand the passed-out student and faculty left the institute.

Alumni raises funds for contribution in research work and charity work like books, Journals for library, help for needy students & patients.

One of the important programmes of the alumni is farewell function of outgoing batch, when many alumni come to attend the programme.
