Title : World Health Day 2026

Organizer: Department of Community Medicine, Dr. Vithalrao Vikhe Patil Medical College & Hospital, Ahilyanagar

Every year on 7 April, “*World Health Day*” is celebrated to mark the anniversary of the founding of the World Health Organization (WHO) in 1948. On the occasion of World Health Day 2026, a health education lecture and an interactive session with patients were conducted at the Rural Health Training Center (RHTC) Rahuri. The lecture was delivered by Dr. Omkar Shete, SR from the Department of Community Medicine, who emphasized the importance of health awareness and preventive care. Patients attending the RHTC were counseled regarding personal health and the significance of maintaining hygiene to prevent diseases. They were also educated about common lifestyle-related chronic conditions such as diabetes mellitus, hypertension, and coronary artery disease, with special emphasis on the importance of adopting healthy lifestyle modifications. Dr. Swati Krishna, Assistant Professor and in-charge of RHTC, was also present on this occasion.

In line with the 2026 theme, “Together for Health: Stand with Science,” a debate on health-related topics was organized by the Department of Community Medicine under the guidance of Dr. Payghan B. (Professor). Second-year MBBS students actively participated in the debate, showcasing their knowledge and awareness of contemporary health issues. The event was attended by faculty members including Dr. Mrs. Shubhada Avachat, Head of the Department, Dr. Pragati Chavan, Dr. Mrs. Payghan, Dr. Sumit Wasnik, and Dr. Joshi, along with the non-teaching staff of the department. The program successfully highlighted the importance of collective efforts and scientific approach in promoting better health outcomes.

Title : Enhancing Clinical Skills: Demonstration of Advanced Fiberoptic Bronchoscopy

Organizer: Dept. of Anaesthesia, Dr. Vithalrao Vikhe Patil Foundation's Medical College & Hospital, Ahilyanagar

On 20th April 2026, the Department of Anaesthesia conducted a demonstration session for a newly introduced fiberoptic bronchoscope, marking an important advancement in airway management and critical care practices. The session aimed to familiarize postgraduate residents and faculty with the handling, applications, and clinical benefits of this modern equipment, which plays a vital role in managing difficult airways and performing minimally invasive procedures.

The demonstration was conducted in the presence of Dr. Satish Deshpande, (Head of the Anaesthesia) along with Junior Residents (JR1, JR2, JR3), Senior Residents, and faculty members from the department. The interactive session provided hands-on exposure and highlighted key techniques, safety considerations, and real-time usage scenarios, ensuring that participants gained practical insights into the effective use of the bronchoscope.

This initiative reflects the department's ongoing commitment to academic excellence and skill enhancement through the adoption of advanced medical technologies. Such training sessions not only strengthen clinical competencies but also contribute to improved patient care outcomes, reinforcing the institution's focus on continuous learning and innovation.
