PRINCIPAL'S MESSAGE

Air Marshall (Retd.), Dr. D. P. Joshi
Principal

I am happy to present before you the Annual Report of Dr. Vithalrao Vikhe Patil Foundation's Medical College and Hospital, Ahmednagar for the year 2016-17. Like previous years, this year also the achievements of the students and staff members have been encouraging.

The college is a cradle for development of students to grow and take their rightful place in society. The faculty that nurtures and Grooms them needs to enhance their capability and lead by example. Faculty development is close to our heart and we encourage and provide opportunities to them by conducting regular Continuing Medical Education Prorammes for them too.

Research forms a very important part of the academics. It is believed today in medical academia that you either 'publish or perish'. Though not part of the mandatory undergraduate curriculum, it is imperative that we encourage our students towards research to give them a head start in their professional careers. I am delighted to inform you that our students and teachers have been selected for research projects of the Indian Council of Medical Research (ICMR), MUHS, Nashik etc.

Our students also excelled in the fields of academics, sports, cultural and other extra-curricular activities and secured positions in the Maharashtra University of Health Sciences. My congratulations to all of them.

The college is progressing in leaps and bounds and we are confident we will go from strength to strength despite the challenges.

GREVIENCE MECHANISM

The institute caters wholeheartedly for the student's grievances. The institute has a "Student's Grievance Redressal Cell". The Cell functions according to the "Standard Operating Procedures" and has an independent committee for the same.

Student Grievance Redressal Cell of Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar has been framed according to the University Grants Commission regulations 2012 (The Gazette of India, March 23-29, 2013) and Maharashtra University of Health Sciences (MUHS) for handling day-to-day grievances related to students and parents.

VISION:

Quick, fair, unbiased and prompt action on any curricular and extracurricular grievances of students and parents.

OBJECTIVES:

1. Establishment of student's grievance redressal cell as per the guidelines.
2. Framing standard operating procedures for any student's grievance redressal.
3. Allotment of duties of all members of student's grievance redressal cell.
4. Arrangement of at least two meetings of student's grievance redressal cell in a year and as per requirement.
5. To assure that, opinions of grievant and defendant are respected and any party should neither discriminated nor victimized.

DEFINITIONS:

Grievance: Grievance means a formal complain – includes any kind of dissatisfaction or negative perception, whether expressed or not, arising out of anything connected with College that a student and parent thinks, believes, or even feels, is unfair, unjust or inequitable.

Grievant: Grievant means a student, parent or group of students or parents submitting the grievance.

PTM

The institute tries relentlessly to maintain communication between parents, teachers & the students. To achieve this, the institute bears a "Parents Teacher Association Committee". The committee coordinated between Undergraduate Committee, Internal Assessment Committee, Attendance Committee & Mentorship Committee. It tracks student's performance & conveys to their parents. Annually two PTM's are held for the purpose.

The Committee is responsible to be updated with student's performance, internal assessment marks, other issues related to the students & performs over parents suggestions to improve students overall well being.

THE ANTIRAGGING POLICY

The institute strictly does not promote ragging activities of any form. The institute bears an "Anti-ragging Committee" & an "Anti-ragging Squad" to keep a check on ragging activities. An anti-ragging brochure is distributed to each student which enables a student to understand that ragging is an offense and that is a punishable activity. Banners & flex boards are displayed in community places like canteens, messes & dining halls. They are also displayed in all the hostels. The brochure majorly explains the acts of ragging, action taken against the accused and antiragging rules and regulations laid down by the Honourable Supreme Court. The "Anti-ragging Committee" functions according to the institutional standard operating procedures.

QUALITY ASSURANCE

The institute believes in maintaining quality in all its endeavours & hence discusses over the issues in the meetings of the college council
