DIRECTOR'S MESSAGE

Professor Abhijit Diwate
MPTh, PhD

Education serves as the cornerstone for personal and societal growth. It's not merely about imparting knowledge but nurturing critical thinking and problem – solving skills while guiding individuals on how to access and utilize information effectively. Through education, the wisdom and insights of generations are passed down, enriching societies countries and the world.

I am delighted to present the Annual Report for the Academic Year 2022-2023, encapsulating the remarkable journey of our Institution under the aegis of Vithalrao Vikhe Patil Foundation, established in 1982. This Annual report reflects our steadfast commitment to academic excellence, research innovation and community service.

The academic year 2022-2023 witnessed pioneering initiatives in academic research and patient care, showcasing our commitment to progress. With state of the art facilities, experienced faculty, and ample opportunities for skill development, DVVPF's Medical College and Hospital ensures that individuals receive not just education but a platform for future success.

We strive not to dream but to actualize these dreams through concrete actions, shaping a future where our students stand as leaders and achievers.

Best regards,

Director (Medical)

DEAN's MESSAGE

Professor Mhaske Sunil Natha
M.B.B.S., M.D., Ph.D. (Paediatrics),
M.B.A. (Hospital Administration),
M. A. (Public Administration),

I am delighted to share the Annual Report for the Academic Year 2022 -23, highlighting the significant achievements and progress of our Institute. Throughout the year, Our Institute has made remarkable strides in academics, patient care, and research, solidifying its position as a leading medical and educational hub in rural Maharashtra.

A noteworthy accomplishment is the selection of our MBBS graduates for postgraduate courses in prestigious institutions across India and well – known overseas Medical Universities. This achievement underscores the academic excellence of our Institute.

Our dedicated faculty and support staff have contributed to the fully functional state of all departments, resulting in a substantial rise in OPD and IPD visits. The hospital's Critical care units such as ICU, HDU, NICU and PICU, modern diagnostic departments, and discounted pharmacy services further underscore our commitment to comprehensive patient care.

We extend our impact beyond the Institute through Urban and Rural health Training Centers. Various committees, such as the Institutional Research Cell and Institutional Ethics Committee, drive research initiatives, ensuring a focus on quality sustenance and enhancement.

As we look ahead, I am confident in our team's unwavering dedication to delivering excellence in academics, patient care, and high – quality research.

Best regards,

Dean

INTRODUCTION

INTRODUCTION

Vithalrao Vikhe Patil Foundation, Ahmednagar, provides the service of education since 1986. This Foundation is registered under Bombay Public Trust Act 1950, dated - 5th July, 1982 -Reg. No-MAH-/544/ANR/82/ BPT/Act-490(Ahmednagar). Ever since then, the foundation pledges to provide quality education in the field of Medicine, Physiotherapy, Nursing, Engineering, technology, Pharmacy, Agriculture & Management.

Over a stretch of time an acute dearth of medical facilities was experienced especially in the rural background. Consequently, inspired by the shortfalls of lack of health care modalities, Vithalrao Vikhe Patil Foundation established a Medical College in Vilad Ghat, Ahmednagar on 2nd August 2004. The Medical College is affiliated to the Maharashtra University of Health Sciences, Nashik. Also, the institute is recognized by Medical Council of India (Superseded by the Board of Governors), New Delhi in 2009.

Gradually under the competent directorate and prudence of the founder Late Eknathrao Alias Balasaheb Vikhe Patil (Recipient of Padmabhushan Award) the institute acquired remarkable achievements in terms of academic and health services as well, at the grass root level. The legacy continues under the skillful stewardship of Sujay Vikhe Patil, CEO of Vithalrao Vikhe Patil Foundation.

Vithalrao Vikhe Patil Foundation's Medical College and Hospital has evolved as an excellent center in Medical Education, Training and Research activities of National esteem. It also caters for Health Care Services especially to the down trodden and the under privileged at the threshold level.

At the inception the Medical College catered for 100 seats for the undergraduate course in Medicine (MBBS) which then increased to the intake capacity of 150 students per year in 2015. Currently the Medical College offers the intake capacity of 200 undergraduates and Postgraduate Courses, Ph. D's and fellowships in certain subjects.

The institution provides an unbiased opportunity to students seeking admission to various courses and streams by abiding to the guidelines issued by the DMER and the Government of Maharashtra. The Teaching-Learning process is structured in a pattern which not only sensitizes a student to the global trends of Teaching-

Learning, but at the same also provides an opportunity to instigate creativity, analytical skills, innovativeness and empathy while learning. To facilitate the overall development, students are encouraged to participate in various extracurricular activities like cultural and sports events, practicing yoga, participating in various intercollegiate events and research activities.

To effectuate the needs of excellent Teaching-Learning process, the institute bears distinctly qualified faculty. To keep up with the prominent and influential legacy of culture and conduct, all the hired hands are privileged to follow the code of ethics. It is a matter of pride to mention that the institute is keen to serve the poor and the needy by enthusiastically participating in a number of social outreach activities. It has four primary Health centers namely Dehare, Jeur, Walki and Mehekari, one Urban Health Center at Burudgaon and one Rural Health Training Center at Bhalawani for undergraduate training, where the patients are treated free of cost. Also that it is determined to contribute towards generating knowledge by indulging in various research activities. The institute possesses a number of research publications of national and international repute, books, copy rights and patents to its credit. It is furnished by a functional e- Library, Natures Club, Wall Magazine, Sports Club, Cultural Club, Incubation centre, Research Cell, Skill Laboratory & Medical Education Technology Unit (MEU).

To add on to the glory of the institute, it bears a well maintained Herbal Garden & Animal House. A worth special mention is the state of art Diagnostic Laboratory, Oncology & Radiation centre, Cardiac Cath Lab, Dialysis unit, Joint Replacement center, DDRC and IVF centre & is looking ahead to set up the Organ Donation unit. It's worth a mention that being a part of such an esteemed institution is indeed a privilege.

VISION & MISSION

VISION & MISSION

Vision:

To achieve 'Global Excellence' in experiential and technology-driven medical education, transformative research, patients centered clinical care, promotional and preventive health care services, through creative medical professionals, leading to national and global development.

Mission:

- To create new genera of doctors with quality medical knowledge, highest levels of skill and competence, committed to excellence, guided by professional ethics, moral and social values, ready to serve and lead the world for better tomorrow.
- To provide excellent and comprehensive medical education and hands-on training to undergraduate and postgraduate students for the advancement of medical knowledge, skills, competences and research, in order to make significant contributions to raise the health standards of all the citizens of our nation and across the globe.
- To extend and share the knowledge acquired and new knowledge generated for the development of the society in health management, through collaborative research, extension and outreach activities.
- To provide primary, secondary and tertiary health care and services of global standards to the needy population, especially the rural and marginalized sections of the society.
- To promote the highest standards of quality and ethical values among the students and staff in patient care, medical education, training and research, leading to excellent performance in diverse professional and cultural settings of our country.
- To promote integrated sustainable development, environmental conservation, protection and preservation of culture, heritage, fundamental duties, human rights, gender sensitization, tolerance, harmony and national integrity among all the stakeholders towards a humane society.
